

Save the Date!

for the 2nd Annual Arkansas State Discovery Partnership Meeting

Come be a partner in Discovering what data is available and what data is being developed for watersheds affecting your projects. LiDAR Collection and Processing, Hydrologic Studies, Hydraulic Studies, Floodplain Mapping, FEMA RiskMAP products and Mitigation Projects may be happening in a watershed near you. Don't be the last to know.

More details will be sent out in a few days.

Where:

**Jacksonville Council Chambers
Jacksonville City Hall**

#1 Municipal Drive
Jacksonville, AR 72076

When:

April 17th, 2013

General meeting will be 1:30- 3:30pm followed by a Breakout session from 3:30 – 4:30pm for individual partners as requested
